SSE P2

The Uniden wireless **Alert Pendant** is splashproof allowing you to wear it in the shower and also outside so you always remain connected in case of an emergency. It is ideal for the Elderly or High Dependency People as the push of the help button contact for assistance can be made. Up to 5 Alert Pendants can be added to a Uniden SSE Cordless Phone which allows you to have an emergency pendant in the bathroom, bedroom or living room.

### SLOW TALK MODE

Slows down the audio, making it easier to understand fast talkers.

### OTHER CONVENIENT FEATURES

- Designed and Engineered in Japan
- XDECT Digital Technology Phone System
- Expandable by Up to 6 Handsets
- Hearing Aid Compatible (T-Coil)
- 7 Day Battery Standby Time
- Up to 10 hours Talk Time
- Flash Button (Call Waiting Compatible)
